N.T Surgical Industries develops the innovative, Dental, Orthodontic, Surgical and Other Surgery tools to serve the highest quality products to valuable customers.

Every day, we are advancing the future of our Instruments worldwide with new, specialty devices that make it possible for practitioners to improve their performance. With every tool – however small it may be – our goal is to improve their performance. Sometimes, it's the tiniest things that make the biggest difference.

At N.T Surgical Industries, we are proud of our deep expertise in making the products to meet the evolving needs of our customers more than 30 years.

For more than two decades N.T Surgical Industries customers have benefited from our outstanding industry knowledge and our ability to consistently provide high-quality specialty in our Products. Our Instruments Specialists bring years of industry experience to every customer interaction and constantly strive to meet our goal of 100% customer satisfaction.

Known for providing unsurpassed overall value, the instruments we sell are backed by a specialists satisfaction guarantee.

Our competitive advantage is created through a dedicated team of highly-trained and experienced instrument specialists who understand the unique challenges of the industry and deliver unparalleled customer service. Our customers are assigned Primary and Secondary Instrument Specialists to ensure that a consultant familiar with your account and individual challenges is always available.

We help our customers get more out of their annual budget and save considerable time and effort. No complicated phone menus to navigate. Simply call or email us your requirements and we provide you with a quote allowing you to effortlessly and effectively compare cost against contracted and non-contracted suppliers.

In the end, we are really thankful to our existing customers for doing business with us and welcome to new customers.

Our Main Export Markets:
